- Understanding of conditions below and authorization to change beneficiary designation.
- You have attached a clear, legible copy of a valid photo ID.

### Section 2: Retirement Benefit Beneficiary Information

- Primary and secondary beneficiaries do not share benefits. Benefits will only be paid to a secondary beneficiary if all primary beneficiaries pre-decease you.
- If you wish to name multiple beneficiaries, please write "see attached" on this form. On a separate sheet of paper, write the names, percentage of benefit to each beneficiary (must total 100%), and other requested information. You must sign and date the separate sheet, include your Social Security Number (SSN) in the upper right hand corner, and attach to this form.

**Primary Beneficiaries:** You can change your primary beneficiary under the following circumstances:

**Maximum Plan:**

- Beneficiaries may be changed at any time.
- You can name multiple primary and/or secondary beneficiaries.

**Options 1 and 2:**

- **If primary beneficiary pre-deceases you** – allows you to name a new beneficiary. This new beneficiary is not eligible for a monthly benefit after your death. Attach a copy of the death certificate to this form.
- If you named multiple primary beneficiaries at retirement, the amount each beneficiary would receive was calculated when you retired. Should any beneficiary pre-decease you, the living beneficiary would still receive the amount determined at retirement.

**Secondary Beneficiaries:** Secondary beneficiaries are only used if all primary beneficiaries pre-decease you. If you elected an option providing a monthly benefit to your primary beneficiary, secondary beneficiaries are **not eligible to receive a monthly benefit**. Secondary beneficiaries may be changed at any time and under any option.
