[O.C.G.A 47-2-181(c)(1-4), O.C.G.A 47-3-81(b)(1- 5)]

Employer Requirements

- Include the ERS or TRS Vested Election Form as part of the Employer new hire packet.
- Only vested ERS and TRS members (at least 10 years of creditable service) are eligible to make the ERS/TRS Vested Membership election. They may only elect continuation of membership in either ERS or TRS.
- Direct the eligible employee to review the ERS-TRS Decision Guide on page 4. The ERS-TRS Decision Guide compares the contributions, calculations and benefits of each retirement plan.
- A new ERS/TRS Vested Membership Election form must be completed each time an eligible employee is hired.
- Contact the respective Retirement System immediately when an employee is enrolled in the incorrect plan. These errors will require reversal of posted contributions.

*Failure to make an election in the vested Retirement System within 60 days of employment will result in a default enrollment to the other Retirement System.

**Enrollment for ERS GSEPS members is time critical. Failure to quickly make an election to continue ERS membership as a GSEPS member will impact the member's earnings and may result in an undesired distribution of 401(k) funds.
