Disability Retirement Application

The Retirement Process

ERSGA cannot accept the retirement application more than 90 days prior to the requested retirement date. The effective retirement date may not be less than 30 days after the completed application is filed. The application is considered filed only when ERSGA has received it and confirmed that the application is complete.

Incomplete applications will be returned to the member.

Retirement always begins on the first of a month. All retirement payments will be direct deposited on the last business day of each month.

Once you have submitted a Disability Retirement application, your Employer must offer you an alternative position, if available. The requirements for an alternative position are:

- The physical requirements are compatible with your physical limitations;
- The annual compensation and possibility for future advancement are the same or greater than your current position;
- The duties are reasonably compatible with your experience and educational qualifications;
- The position is covered under ERS; and
- The position is available and offered to you in writing no later than 45 days after your disability application is submitted.

If an alternative position is offered to you, you must, within 30 days of the offer, accept or dispute in writing your ability to perform in the alternate position by submitting a written appeal to both ERS and the employer.

The ERSGA Medical Board evaluate Disability Retirement applications to determine whether you are eligible for disability retirement based on your inability to perform the duties of your original position and, if applicable, an alternative position. If the Medical Board determines that you are capable of performing the duties of either position, the disability retirement application will be denied.

Application for Disability Retirement Checklist

It is your responsibility to submit the **complete** application packet (Parts I – V) to ERSGA.

Incomplete packets will be returned to the applicant and will not be processed.

Do **not** terminate employment before you receive confirmation from ERSGA that your completed application has been received and is being processed.

The following Checklist is provided to assist you in assuring that your packet is complete:

☐ Part I Retirement Application – Demographics, Option selection, Beneficiary designation

☐ Part II Employee's Disability Self-Report

☐ Part III Employer's Disability Report

☐ Part IV Physician's Report – A separate physician's report is required from each of your medical providers listed on page 7 of Part II

Retirement Options Form - Page 19

Maximum Plan
This option provides the highest, lifetime monthly benefit to you. No monthly benefit is payable after death. At your death, your named beneficiary(ies) will receive a single payment of any funds remaining in your contributions and interest account. You may name your Estate, a charity, a trust or a living person(s) as your beneficiary. You may change your beneficiary(ies) at any time.

Option 1
This option provides a reduced, lifetime monthly benefit to you. No monthly benefit is payable after death. At your death, your named beneficiary(ies) will receive a single payment of any funds remaining in your contributions and interest account. You may name your Estate, a charity, a trust or a living person(s) as your beneficiary. You may change your beneficiary(ies) at any time.

Options 2* & 3
These options provide a reduced monthly benefit for your lifetime and a survivor benefit at your death. If your primary beneficiary predeceases you, there is no change to your benefit and no further benefits will be payable upon your death. If multiple beneficiaries are named, each beneficiary will receive a partial amount based on their respective ages. If one of those beneficiaries predeceases you, there is no change to your benefit and no change to the benefits payable to the surviving beneficiaries upon your death.

Option 2: 100% Joint & Survivor* - At your death, your named, living, primary beneficiary designated at retirement will receive the same monthly allowance.

Option 3: 50% Joint & Survivor - At your death, your named, living, primary beneficiary designated at retirement will receive half of your monthly allowance.

Option 4
Option 4 is highly individualized and you may be able to convert your monthly allowance into one of several methods of payment. If you are interested in Option 4, please visit our self-service website or request an estimate before choosing. The most common choices for Option 4 are:

Flat amount to beneficiary - You designate how much you want your primary beneficiary named at retirement to receive after your death. You may not specify more than the amount payable to you. If your primary beneficiary predeceases you, there is no change to your benefit and no further benefits will be payable upon your death. If you elect multiple beneficiaries and one of those beneficiaries predeceases you, there is no change to your benefit and no change to the benefits payable to the surviving beneficiaries upon your death.

Period Certain - Guaranteed period certain: guarantees a monthly benefit for your lifetime. If you die before the selected number of payments (5, 10, 15, or 20 years), your named beneficiary will receive the value of the remaining payments in a single lump sum.

Retirement Options Form - Page 19 (continued)

Accelerated - An accelerated benefit: you receive 135% of the maximum calculated benefit for the first five continuous years. After this time your benefit will be actuarially reduced for your lifetime. There is no beneficiary benefit.

*Max Amount to Beneficiary** – If Option 2 is unavailable because you have listed a non-spouse beneficiary more than 10 years younger than you, this option provides the highest possible benefit to your beneficiary: This option provides a reduced monthly benefit for your lifetime and the highest survivor benefit at your death to your primary beneficiary(ies) named at retirement. If multiple beneficiaries are named, each beneficiary will receive a partial amount based on their respective ages. If your primary beneficiary predeceases you, there is no change to your benefit and no further benefits will be payable upon your death. If you elect multiple beneficiaries and one of those beneficiaries predeceases you, there is no change to your benefit and no change to the benefits payable to the surviving beneficiaries upon your death.

Other – Please contact our office for an alternative method of payment, if needed.

Options 5A* & 5B
These options provide a reduced monthly allowance for your lifetime. You may only list your spouse or a dependent child as sole primary beneficiary. If your primary beneficiary predeceases you, you will pop-up to the Maximum Plan. Following the death of your spouse primary beneficiary and after one year of remarriage or the birth of a child of that marriage you may re-elect the option with your new spouse as your sole, primary beneficiary. One year after the death of your dependent child primary beneficiary, you may re-elect the option with your spouse as your sole, primary beneficiary, providing you have been married to your spouse for at least a year.

Option 5A: 100% Joint & Survivor Pop-up* - At your death, your named, living, primary beneficiary designated at retirement or upon re-election will receive the same monthly allowance.

Option 5B: 50% Joint & Survivor Pop-up - At your death, your named, living, primary beneficiary designated at retirement or upon re-election will receive one-half of your monthly allowance.

*Please note: To ensure compliance with IRS requirements for qualified plans, retirees might not be eligible to designate the full 100% retirement benefit under Options 2, 5A, or 4 if they elect a non-spouse beneficiary who is more than ten years younger than the member/retiree. If this is applicable, the retiree will be notified of the maximum permissible amount which can be allocated to the non-spouse beneficiary. The maximum permissible amount will be available under Option 4 Max Beneficiary Amount.

NOTE: Under options 2, 3, or 4, if your sole, primary beneficiary is your spouse or a dependent child and they predecease you, you may elect to begin receiving an actuarially reduced benefit with your new spouse or current spouse, respectively, after one year of remarriage. Only Option 5A or 5B allows you to pop-up to the Maximum upon the death of your primary beneficiary.

Regardless of Option Elected
If the Gross benefits paid to you the retiree and your beneficiary(ies) do not exceed your contributions and interest amount at the time of retirement, a refund of the remaining amount will be paid to the primary beneficiary(ies) unless the primary beneficiary predeceases the retiree then the payment will go to the secondary beneficiary(ies).

Escalating Benefit Option Form - Page 20

What is an Escalating Benefit?
You may choose to receive a reduced benefit at retirement, with a guaranteed 2% increase on the anniversary of your retirement every year during your lifetime; however, it can only be elected for the Maximum Plan, Option 2, Option 3, Option 4 Period Certain – 5 years, 10 years, 15 years or 20 years, Option 4 Max Amount to Beneficiary, Option 5A, or Option 5B. If you elect the escalating benefit for an option that provides a monthly benefit to your beneficiary(ies) after your death, this guaranteed increase would continue for the lifetime of your beneficiary(ies) also.

NOTE: An escalating benefit option is further reduced from an option without escalating benefit. An estimate can be requested from ERSGA for the escalating benefit options, or you can visit our website at ers.ga.gov, Logging In to your Account, and Generating a Benefit Estimate for the escalating benefit options.

Who is eligible?
- Service, law enforcement, or involuntary separation retirees may elect an escalating benefit.
- Disability retirees may also elect an escalating benefit.

Escalating Benefit Example:
If an escalating benefit is elected, the retirement benefit will be increased on each anniversary of the retirement date. For example, if an ERS member retires on January 1st and elects an option with an escalating benefit, then in January of the next year the retirement benefit will increase by 2%. And in January of the following year, the retirement benefit will increase by another 2%. These increases will continue each year on the anniversary of the retirement date, for the lifetime of the retiree and, if applicable, the beneficiary(ies) lifetime (for options which provide a monthly benefit to a beneficiary(ies) after retiree's death.)

Naming Your Retirement Allowance Beneficiaries Form – Page 21

- You may name one or more primary and/or secondary beneficiaries. If you want to name more than three, please list the additional beneficiaries on a separate sheet.
- Retirement applications without a listed beneficiary will not be processed.
- Secondary beneficiaries may be changed at any time.
- A will does not take precedence over this designation. Benefits are not assignable by wills. Please verify all birth dates. Correct birth dates are essential in calculating benefits.

Maximum, Option 1, Option 4 Period Certain, Option 4 Accelerated

- You may change beneficiaries at any time. There is no continuing monthly benefit after your death.
- Your secondary beneficiaries will not receive any benefits unless all primary beneficiaries are deceased or have disclaimed their benefits
- If you choose your Estate as the primary beneficiary, you do not need a secondary beneficiary.
- Payment for the month of your death will be made to your estate.

Options 2*, 3, & 4*

- If you name multiple primary beneficiaries, the amount each beneficiary would receive is calculated when you retire based on their ages. Should any beneficiary predecease you, the living beneficiary(ies) would still receive the amount determined at retirement. Your secondary beneficiaries will not receive any benefits unless all primary beneficiaries are deceased. Secondary beneficiaries are not eligible for a monthly benefit.
- You may change your primary beneficiary only if:
    - Your spouse is the sole, primary beneficiary and you get a divorce - this allows a change to the Maximum.
    - After one year of re-marriage or the birth of a child from that remarriage, you may choose the original option naming your new spouse as beneficiary, resulting in a permanent, actuarial reduction to your allowance.
    - Your spouse is the sole, primary beneficiary and predeceases you - after one year of re-marriage or birth of a child from that remarriage, you may re-elect the optional allowance naming the new spouse as beneficiary, resulting in a permanent, actuarial reduction to your allowance.

Options 5A* & 5B

- You may only name your spouse **or** dependent child as sole primary beneficiary. If your primary beneficiary dies before you, your benefit will change to the Maximum.
- If your sole primary beneficiary is your spouse and divorce occurs, you may change to the Maximum by making such election in writing. After one year of re-marriage or the birth of a child you may choose the original option naming the new spouse as beneficiary.
- If your dependent child beneficiary predeceases you, you will change to the Maximum. Beginning one year after the death of the child you may name your current spouse as your sole primary beneficiary under the same option. Benefits will be actuarially reduced.

*To ensure compliance with IRS requirements for qualified plans, retirees might not be eligible to designate the full 100% retirement benefit under Options 2, 5A, or 4 if they elect a non-spouse beneficiary who is more than ten years younger than the member/retiree. If this is applicable, the retiree will be notified of the maximum permissible amount which can be allocated to the non-spouse beneficiary.

Regardless of Option Elected: If the Gross benefits paid to you the retiree and your beneficiary(ies) do not exceed your contributions and interest amount at the time of retirement, a refund of the remaining amount will be paid to the primary beneficiary(ies) unless the primary predeceases the retiree then the payment will go to the secondary beneficiary(ies).

Naming Your Group Term Life Insurance (GTLI) Beneficiaries Form – Page 22

- You may name one or more primary and/or secondary beneficiaries. If you want to name more than three, please list the additional beneficiaries on a separate sheet.
- All Group Term Life Insurance (GTLI) beneficiaries may be changed at any time.
- You may designate percentages to multiple beneficiaries, but the total must equal 100%.
- A will does not take precedence over this designation. Benefits are not assignable by wills.
- Group Term Life Insurance is not assignable.
- This Group Term Life Insurance has no cash value and is payable only upon your death.

Please NOTE: Employees under the GSEPS Plan do not have coverage in the GTLI Program.

General Instructions

Section references are to the Internal Revenue Code.

Future developments. For the latest information about any future developments related to Form W-4P, such as legislation enacted after it was published, go to *www.irs.gov/FormW4P*.

Purpose of form. Complete Form W-4P to have payers withhold the correct amount of federal income tax from your periodic pension, annuity (including commercial annuities), profit-sharing and stock bonus plan, or IRA payments. Federal income tax withholding applies to the taxable part of these payments. Periodic payments are made in installments at regular intervals (for example, annually, quarterly, or monthly) over a period of more than 1 year. Don't use Form W-4P for a nonperiodic payment (note that distributions from an IRA that are payable on demand are treated as nonperiodic payments) or an eligible rollover distribution (including a lump-sum pension payment). Instead, use Form W-4R, Withholding Certificate for Nonperiodic Payments and Eligible Rollover Distributions, for these payments/distributions. For more information on withholding, see Pub. 505, Tax Withholding and Estimated Tax.

Choosing not to have income tax withheld. You can choose not to have federal income tax withheld from your payments by writing "No Withholding" on Form W-4P in the space below Step 4(c). Then, complete Steps 1a, 1b, and 5. Generally, if you are a U.S. citizen or a resident alien, you are not permitted to elect not to have federal income tax withheld on payments to be delivered outside the United States and its territories.

Caution: If you have too little tax withheld, you will generally owe tax when you file your tax return and may owe a penalty unless you make timely payments of estimated tax. If too much tax is withheld, you will generally be due a refund when you file your tax return. If your tax situation changes, or you chose not to have federal income tax withheld and you now want withholding, you should submit a new Form W-4P.

When to use the estimator. Consider using the estimator at *www.irs.gov/W4App* if you:

1. Have social security, dividend, capital gain, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax; or

2. Receive these payments or pension and annuity payments for only part of the year.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you (or you and your spouse) receive. If you do not have a job and want to pay these taxes through withholding from your payments, use the estimator at *www.irs.gov/W4App* to figure the amount to have withheld.

Payments to nonresident aliens and foreign estates. Do not use Form W-4P. See Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities, and Pub. 519, U.S. Tax Guide for Aliens, for more information.

Tax relief for victims of terrorist attacks. If your disability payments for injuries incurred as a direct result of a terrorist attack are not taxable, write "No Withholding" in the space below Step 4(c). See Pub. 3920, Tax Relief for Victims of Terrorist Attacks, for more details.

Specific Instructions

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you have at least one of the following: income from a job, income from more than one pension/annuity, and/or a spouse (if married filing jointly) that receives income from a job/pension/annuity. The following examples will assist you in completing Step 2(b).

Example 1. Bob, a single filer, is completing Form W-4P for a pension that pays $50,000 a year. Bob also has a job that pays $25,000 a year. Bob has no other pensions or annuities. Bob will enter $25,000 in Step 2(b)(i) and in Step 2(b)(iii).

If Bob also has $1,000 of interest income, which he entered on Form W-4, Step 4(a), then he will instead enter $26,000 in Step 2(b)(i) and in Step 2(b)(iii). He will make no entries in Step 4(a) on this Form W-4P.

Example 2. Carol, a single filer, is completing Form W-4P for a pension that pays $50,000 a year. Carol does not have a job, but she also receives another pension for $25,000 a year (which pays less annually than the $50,000 pension). Carol will enter $25,000 in Step 2(b)(ii) and in Step 2(b)(iii).

If Carol also has $1,000 of interest income, then she will enter $1,000 in Step 4(a) of this Form W-4P.

Example 3. Don, a single filer, is completing Form W-4P for a pension that pays $50,000 a year. Don does not have a job, but he receives another pension for $75,000 a year (which pays more annually than the $50,000 pension). Don will not enter any amounts in Step 2.

If Don also has $1,000 of interest income, he won't enter that amount on this Form W-4P because he entered the $1,000 on the Form W-4P for the higher paying $75,000 pension.

Example 4. Ann, a single filer, is completing Form W-4P for a pension that pays $50,000 a year. Ann also has a job that pays $25,000 a year and another pension that pays $20,000 a year. Ann will enter $25,000 in Step 2(b)(i), $20,000 in Step 2(b)(ii), and $45,000 in Step 2(b)(iii).

If Ann also has $1,000 of interest income, which she entered on Form W-4, Step 4(a), she will instead enter $26,000 in Step 2(b)(i), leave Step 2(b)(ii) unchanged, and enter $46,000 in Step 2(b)(iii). She will make no entries in Step 4(a) of this Form W-4P.

If you are married filing jointly, the entries described above do not change if your spouse is the one who has the job or the other pension/annuity instead of you.

Multiple sources of pensions/annuities or jobs. *If you (or if married filing jointly, you and/or your spouse) have a job(s), do NOT complete Steps 3 through 4(b) on Form W-4P. Instead, complete Steps 3 through 4(b) on the Form W-4 for the job. If you (or if married filing jointly, you and your spouse) do not have a job, complete Steps 3 through 4(b) on Form W-4P for* ***only*** *the pension/annuity that pays the most annually. Leave those steps blank for the other pensions/annuities.*

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. Including these credits will increase your payments and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include amounts from any job(s) or pension/annuity payments. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than

Specific Instructions *(continued)*

having tax on other income withheld from your pension, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 6, if you expect to claim deductions other than the basic standard deduction on your 2024 tax return and want to reduce your withholding to account for these deductions.

This includes itemized deductions, the additional standard deduction for those 65 and over, and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from **each payment**. Entering an amount here will reduce your payments and will either increase your refund or reduce any amount of tax that you owe.

Note: If you don't give Form W-4P to your payer, you don't provide an SSN, or the IRS notifies the payer that you gave an incorrect SSN, then the payer will withhold tax from your payments as if your filing status is single with no adjustments in Steps 2 through 4. For payments that began before 2024, your current withholding election (or your default rate) remains in effect unless you submit a new Form W-4P.

Step 4(b)—Deductions Worksheet *(Keep for your records.)*

1	Enter an estimate of your 2024 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to $10,000), and medical expenses in excess of 7.5% of your income	**1**	$
2	Enter: • $29,200 if you're married filing jointly or a qualifying surviving spouse • $21,900 if you're head of household • $14,600 if you're single or married filing separately	**2**	$
3	If line 1 is greater than line 2, subtract line 2 from line 1 and enter the result here. If line 2 is greater than line 1, enter "-0-"	**3**	$
4	If line 3 equals zero, and you (or your spouse) are 65 or older, enter: • $1,950 if you're single or head of household. • $1,550 if you're married filing separately. • $1,550 if you're a qualifying surviving spouse or you're married filing jointly and one of you is under age 65. • $3,100 if you're married filing jointly and both of you are age 65 or older. Otherwise, enter "-0-". See Pub. 505 for more information	**4**	$
