What is GDCP?

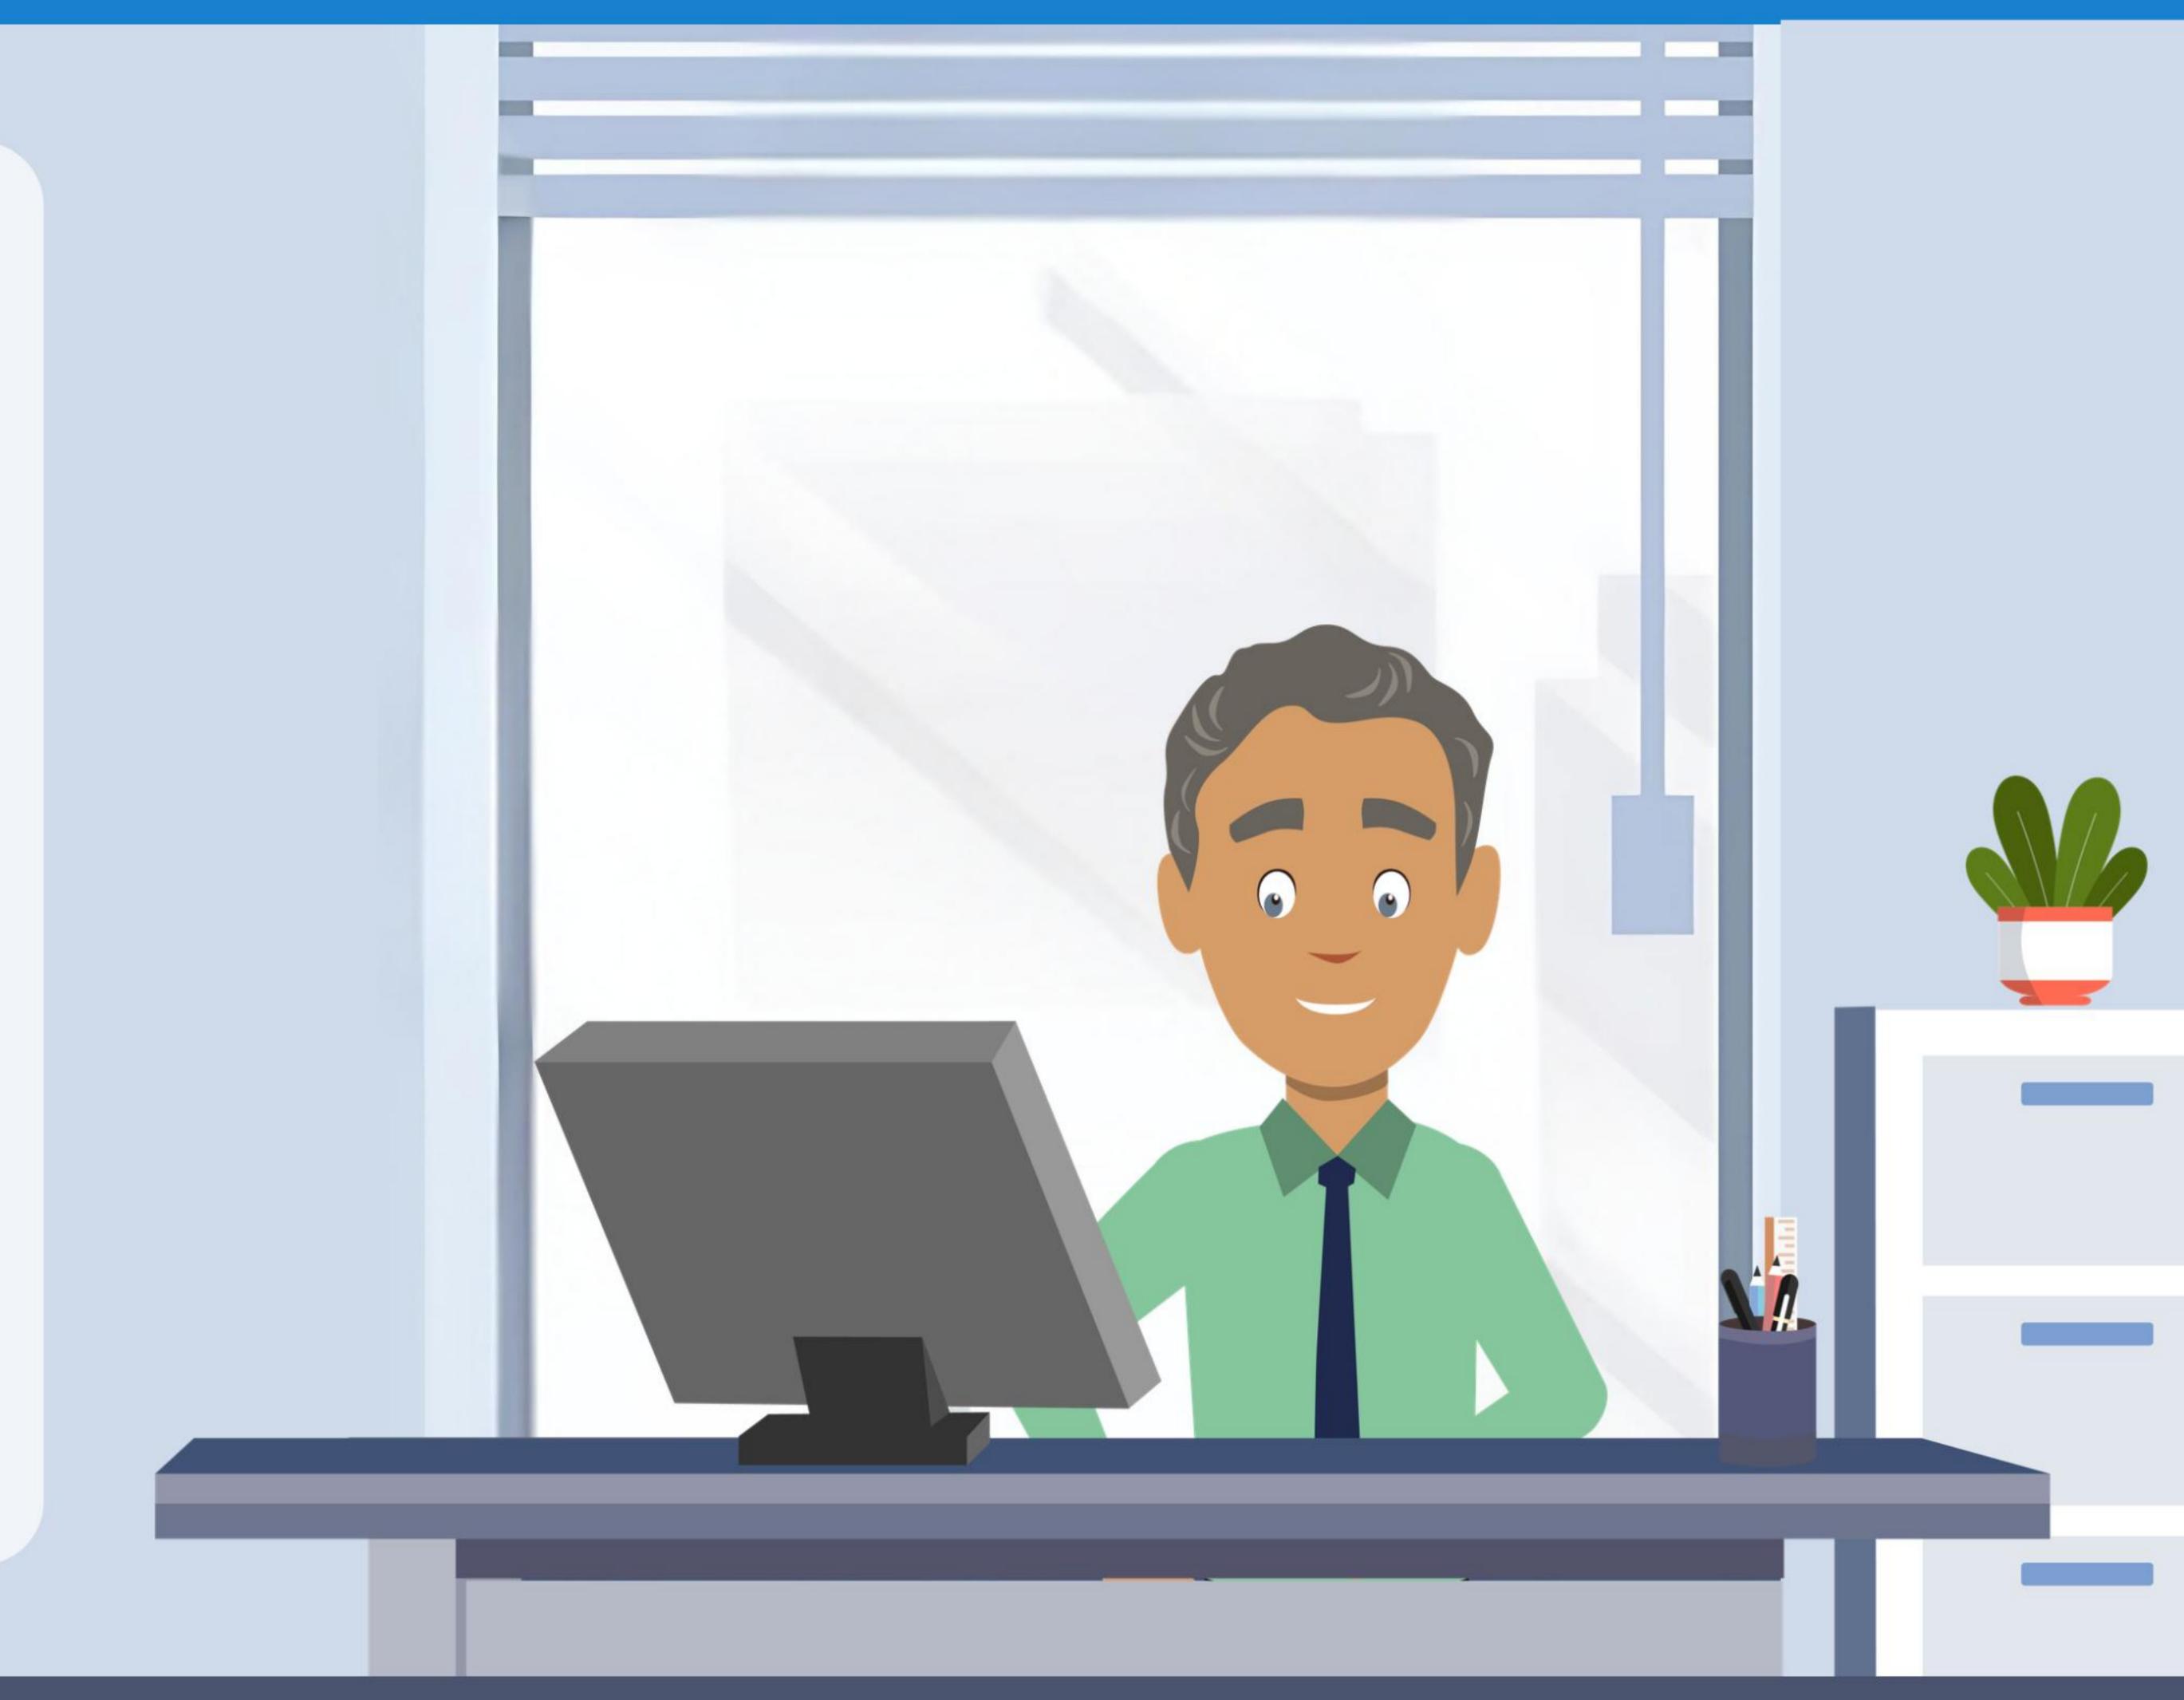

Georgia Defined Contribution Plan is a savings plan for temporary, seasonal, or part-time State of Georgia employees

Eligibility:

- Employees not eligible for the Employees' Retirement System (ERS)
- Employees not eligible for the Teachers Retirement System (TRS)

Employees not covered by Social Security, GDCP membership is required

- GDCP accounts are only funded through member contributions
- Contributions are 7½% of gross salary through payroll deductions
- Contributions are after-tax and deposited into members' GDCP account

- Members do not select their own investments
- Conservative portfolio of trust fund investments
- Interest crediting rate set annually

Remember to sign into your account to designate beneficiaries!
