

Georgia State Employees' Pension and Savings Plan (GSEPS) *Enrollment Information Notice*

Membership

As a new State of Georgia employee, you are enrolled in the Georgia State Employees' Pension and Savings Plan (GSEPS).

GSEPS is a hybrid retirement plan comprised of both (1) a Defined Benefit Pension Plan and (2) a Peach State Reserves (PSR) 401(k) Plan with an employer match benefit.

Part 1: Your ERS Pension Plan

- Referred to as your ERS Pension Plan: Governed and administered by the Employees' Retirement System of Georgia (ERSGA)
- Mandatory employee contribution rate of 1.25% of eligible pay

Part 2: Your PSR 401(k) Plan

- Referred to as your PSR 401(k) Plan: Governed by ERSGA and administered through GaBreeze
- Automatic enrollment with a contribution equal to 5% of eligible pay
- Employers will match member contributions dollar per dollar, up to 5% of pay. Members saving 5% or more receive a full 5% match.
- GSEPS members with at least six years of service, and who are contributing at least 5%, will get an additional half percent employer match for every full year of service in excess of five years, up to a maximum employer match of 9%.
- Eligible Law Enforcement Officers (LEOs) who contribute at least 5% to their Peach State Reserves 401(k) Plan begin receiving increased employer matching contributions after six years of Creditable Service. The LEO employer match increases by 2%, instead of 0.5%, each year based on years of Creditable Service until it reaches a maximum employer match of 15%.
- Contributions are invested in a Lifecycle Fund based on your date of birth.
- Automatic enrollment contributions are pre-tax, but you may elect to make after-tax Roth contributions (or a combination of both).
- PSR 401(k) contribution rate and/or investment options may be changed at any time.
