PSR Fees and Expenses

A combination of asset-based and flat fees are charged to participants of PSR to cover plan expenses. Asset-based fees vary by fund and are reflected in the Net Asset Value of each investment option. The fees are outlined by fund on the Investment Fund Information sheets available on the GaBreeze website. A flat \$2 per quarter fee is also charged to each participant who has a balance in the 457 and/or 401(k) Plan. If a participant has both a 457 and a 401(k) Plan account, the fee will only be assessed to their 401(k) Plan account. For participants enrolled in the Professional Management Program, additional fees will apply as outlined in the Supplement to the Terms and Conditions of the Professional Management Program.
