

Clear POST Certification Required

Original Governor Defined Positions

Jobs added based on Updated JCCP Descriptions Jan 2026

OPB Defined Law Enforcement: List includes all positions that require POST certification in order to perform the job duties. Qualifications were gathered from DOAS HRA requirements under Law Enforcement Job Codes. Some exceptions may apply. Other positions may require a POST certification at the discretion of the agency, however these are excluded as they may not be working as front line law enforcement. HRA defined requirements may change as job codes are added and evaluated. List is as of June 2025.
