

STATE OF GEORGIA WITHHOLDING CERTIFICATE FOR PENSION OR ANNUITY PAYMENTS

What is Form G-4P? Recipients of income from annuity, pension, and certain other deferred compensation plans use this form to tell payors whether to withhold income tax and on what basis. Recipients with a large amount of income not subject to withholding (such as interest or dividends), should consider making estimated tax payments using Form 500ES. To obtain Form 500ES, call 1-877-423-6711 or download it from our website at <u>dor.georgia.gov</u>.

If you itemize or claim other deductions or you and/or your spouse have more than one source of income subject to withholding or you (and your spouse if filing jointly) qualify to claim the retirement income exclusion, complete Schedule A on page 2 of this form to calculate the number of additional allowances to which you are entitled.

O.C.G.A. § 48-7-101(j) provides that recipients of non-periodic payments made on distributions from pension, annuity, or similar funds, may elect to have tax withheld on such distributions similar to recipients of periodic payments. (Refer to O.C.G.A. § 48-7-100 (8.1) for the definition of "periodic payment.") Payors of such distributions must withhold based upon such elections.
